

ROPS-MOUNT CANOPY FAN

Add a 3-speed fan to the Advantage Series Universal ROPS-mount canopy. Overhead console gives easy access to blower speed controls & adjustable air vents.

- Fan mounts under the canopy and installs in minutes
- Centrifugal fan provides powerful airflow
- Fan is adjustable up to 45 degrees in relation to the canopy

- Compact and lightweight (11 Lbs.)
- Adjusts angle and blower speed to accommodate individual users
- All wiring and mounting hardware included
